THIS DIRECTIVE SHALL SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE.

SUBJECT:

DOCKET NO. 2012-218-E - Application of South Carolina Electric & Gas Company for Increases and Adjustments in Electric Rate Schedules and Tariffs and Request for Mid-Period Reduction in Base Rates for Fuel – Discuss with the Commission the Request for Public Night Hearings Filed on Behalf of AARP.

COMMISSION ACTION:

AARP has requested that public hearings be held in Lexington, Summerville, Columbia, Aiken, Beaufort, and Orangeburg. I also note that we have a request (utility agenda item 8) for a public hearing in Charleston County). Due to the difficulty of scheduling seven (7) public hearings prior to the merits hearing on November 27, 2012, and the proximity of some of the locations, I move that the Commission hold public night hearings in Columbia, Aiken, and Charleston and direct Staff to schedule such hearings. Holding public hearings in these three (3) locations provides an opportunity for all customers in SCE&G's service territory to participate.
